Experience It! Conwy, Wales

One of the loveliest towns to explore on the northern coast of Wales is Conwy (from Old Welsh cyn "chief" and gwy "water"). Originally an English military outpost built in the 13th century, it retains beautifully preserved medieval walls as well as the towering fortress known as Conwy Castle, with eight lofty towers complete with spiral staircases. This mighty monument, standing high above the small town and the riverbank, was built, amazingly, in just four years by the English King Edward I and his architect. UNESCO has designated the castle a World Heritage Site, noted as one of the finest examples of late 13th- and early 14th-century military architecture in Europe. Stretching across from the castle lie the town, the river, and the craggy mountains of Snowdonia. The town itself, notable also for its scenic harbor front, is dotted with quaint cafés, tearooms, and markets that beckon visitors.

Per Person Rates: \$1,499.00 USD double, \$2,199.00 USD single, land only

4 Meals: 3 Breakfasts, 1 Dinner

Day 10: London - Paris, France

Head to the train station* and zip through the underwater tunnel that runs beneath the English Channel – known commonly as the “Chunnel.” In less than three hours, you’ll be in Paris, the “City of Light.” Take in the most iconic sights of Paris on a panoramic city tour. With your local guide, marvel at the Arc de Triomphe, Champs-Élysées, and Notre Dame Cathedral. Later, join your guide to get to know the area surrounding your hotel and use the Métro underground system** like a local (giving you the freedom to set off later as you wish) on your way to a Seine River dinner cruise. As you cruise from the base of the Eiffel Tower and float by illuminated landmarks, let the Paris of your dreams sweep you off your feet. *Today dinner will be included.*

Day 11: Paris

This morning, join your local expert to explore the hip neighborhood of Montmartre. Blending artistic roots and quirky modernity, this 18th *arrondissement* neighborhood is home to classical painters and cultural provocateurs. Venture into the Musée de Montmartre and glimpse into the roots of cabaret and the lives of Paris' most famous artists and take advantage of time at leisure to explore on your own. Perhaps you'll browse the shops of L'Opéra District, where you'll have time to peruse luxury Parisian retailers or take a stroll down the Champs-Élysées and pause at a local café for some people watching. *Today breakfast will be included.*

Day 12: Paris

It's your last day in Paris – how will you spend it? Perhaps you'll explore *Le Marais*. This trendy district abounds with winding streets, gorgeous old mansions, and independent boutiques. Meander through the flourishing trees and bright grassy patches of Place des Vosges, the oldest planned town square in all of Paris. Or maybe you'll stroll down to the *Île de la Cité*, the island set in the heart of Paris to take in the progress of restoration efforts of the awe-inspiring Notre Dame Cathedral. No matter how you spend your day – you'll get a true taste of the Parisian lifestyle. *Today breakfast will be included.*

Day 13: Paris - Extension Ends

Wish Paris goodbye as you transfer to the airport for your flight. *Today breakfast will be included.*

Please Note:

The overall activity level of this extension is a level 3. This means walking and standing for longer periods of time (2-3 hours) isn't a big deal for you. You can navigate hills and uneven ground, climb into various modes of transportation (tuk-tuk, cable car, zodiac, etc.), and could possibly anticipate changes in elevation. Walking four miles over the course of a day is very doable as is climbing 3 flights of stairs. You can handle altitudes between 6,000 and 9,000 feet. You can expect some longer days balanced with free time. This level is not a fit for travelers that require mobility assistance devices.

A **Hosted Extension** is great for travelers who like to spend full days exploring places on their own by foot or public transportation. A dedicated Tour Manager will not be present during this extension.

We reserve the right to cancel this extension if a minimum of 6 passengers is not met to operate.

Extensions not purchased at time of deposit are subject to availability and applicable charges at time of request.

*Porterage is not available at train stations in London or Paris, and you will be responsible for your own luggage for the duration of this train journey. You must be prepared to handle your own luggage from the motorcoach to the platform and lift it aboard the train. Luggage space is limited, so you may have to store your bags in the overhead racks as there is no checked luggage service available on French trains. You will be responsible for carrying your bags from the train to the motorcoach upon arrival in Paris.

**Using the Paris underground system requires the ability to negotiate 2 to 3 flights of stairs and agility to step on and off moving escalators. Seating is not guaranteed in the Métro as it's available on a first come, first served basis. In case seats are not available, the ability to stand in a moving vehicle is required (handrails are available). Only 3% of the underground stations are wheelchair accessible.

If you require any special assistance while on tour, please make us aware at time of reservation so the necessary request form can be sent to your attention.

Single accommodations are limited and are available on a first-come, first-served basis. Single rate subject to change based on availability.

For air-inclusive reservations, the name provided at time of booking must match your government-issued ID that will be used during travel. Name changes are subject to penalties.
